YOUR INVITATION TO PARTNER WITH QCOSS

Welcome to the 2025 QCOSS Conference and thank you for considering our partnership and exhibition opportunities.

QCOSS is the peak body for the community services sector. With more than 150,000 employees, this is one of the fastest growing sectors of Queensland's economy and the biggest employer group in Queensland.

As the peak body, QCOSS represents over 400 members. We are one of the state's foremost advocacy bodies. Last year, we won billions of dollars for social and affordable housing and homelessness services, and shaped key policy reforms in youth justice, early childhood reform, youth justice policy changes, and cost-of-living relief for low-income families. The highlight of our events calendar, the QCOSS Conference, brings together senior representatives and thought leaders to explore the big issues facing Queensland's communities. It's a fantastic opportunity to profile your organisation and engage with the sector.

It is also an excellent way to demonstrate your support for one of the state's most powerful advocacy communities, as we drive social change in Queensland.

On the second night of the QCOSS Conference, we celebrate the individuals and organisations who support those Queenslanders doing it tough every day, at our sector's biggest night of the year: the Queensland Community Impact Awards (QCIA). This fabulous gala ball is traditionally held at Brisbane City Hall and attended by hundreds of extraordinary individuals from all over the state.

We'd love you to join us as we advance equality, opportunity and wellbeing for every Queenslanders.

FAST FACTS

25 - 27 NOVEMBER 2025

**BRISBANE CONVENTION
AND EXHIBITION CENTRE**

**400+ DELEGATES FROM
ACROSS QUEENSLAND
EXPECTED TO ATTEND**

WHO WE ARE

**QCOSS is Queensland's peak
body for community services.**

We work to improve the lives of Queenslanders by ensuring our sector is strong, connected, engaged and mobilised.

**We are committed to self-determination
for First Nations Peoples.**

Our work is evidence based, focused on the whole of Queensland and reflects the views and perspectives of our members. We ensure we represent our sector and advocate for their needs. Our members share our vision and are deeply involved in our work.

We bring our members, the community sector, other peak bodies, government, business and the community together.

2025 QCOSS Conference:

CHANGING STATE

Every day, the community services sector strives towards a future where equality, opportunity and wellbeing are enjoyed by all Queenslanders.

The work of the community sector is meaningful, impactful and inspiring. At the same time, it is complicated and challenging.

Changing our state requires imagination, daring, dedication and skill.

The 2025 QCOSS conference builds on what the community sector does every day – we dream outside the constructs of what our societies think is possible, we dare to enact those dreams and we roll up our sleeves to do the work that is needed to maintain our dreams, all in aid of changing our current state to the future we envision.

DREAMING

Every day our sector works to create shared prosperity, support for every person and a future where equality, opportunity and wellbeing are not just ideals but reality.

Working towards this change is convoluted and rife with setbacks. It requires bravery, vulnerability, perseverance and belief that bending the arc of history towards progress is possible.

Above all, it requires an audacious dream; a dream that's grounded in the evidence of what's needed, paints a picture of who we can be and lifts all of us.

This conference stream urges delegates to think outside the constructs of what they hold possible and begin to radically imagine a better, fairer future for our state and all Queenslanders.

DARING

Much of Queensland's boldest social change has its genesis in the community services sector. Our sector is made up of the people who roll up their sleeves, take on challenges, forge new partnerships and show us that change can be achieved through delivering projects, programs and services grounded in understanding our communities.

This conference stream celebrates the courage of our sector and the advocates, radicals, visionaries and changemakers who have dared and delivered social impact in Queensland.

DOING

Without the work, a dream is nothing. For the sector to enact its dreams, we need to ensure our teams have the right skills and experience, and that we're striving together toward organisational excellence.

The vehicle to enabling our vision is developing our workforce, organisational skills and capability.

This conference stream gives organisations and individuals in the community services sector the tools and skills they need to achieve their dreams.

WHO YOU WILL CONNECT WITH

The QCOSS Conference will attract approximately 400+ delegates from across Queensland. Partnering provides an opportunity to connect with influential leaders, policy makers, service providers, and decision-makers.

A NOTE TO EXHIBITORS

We kindly request all exhibitors to be mindful of the environmental impact of the items they bring to the conference. To align with our sustainability goals, we ask that you avoid bringing materials or giveaways that cannot be recycled or that lack practical value for delegates. Instead, consider offering items that are reusable, eco-friendly, or digital alternatives to traditional handouts.

By choosing sustainable options, you not only reduce waste but also contribute to creating a more environmentally conscious event that reflects positively on your brand and resonates with delegates who value sustainability. Together, we can make a meaningful difference.

ADVERTISING

Conference marketing & public relations

QCOSS will design and implement various integrated marketing, media and communications activities to maximise the visibility and value of partnering with the 2025 QCOSS Conference. Through a combination of targeted direct mail campaigns, a dedicated conference website, and regular email newsletters and social media posts, we will ensure consistent communication with key audiences. Additionally, editorial features and advertising in leading industry publications will keep potential delegates, partners, and exhibitors well-informed and engaged in the lead-up to, during and following the event.

Additional tickets and registrations

An additional exhibitor registration can be purchased for \$795, which includes:

- Daily catering
- Attendance at conference sessions
- One ticket to the welcome reception

Queensland Community Impact Award tickets may be purchased separately.

This Exhibitor/ Partner Pass is significantly reduced from the standard delegate fee as recognition of your company's support of the event.

Please note there is a maximum of two additional exhibitor registrations per partner or exhibitor.

Appliance testing

All electrical appliances and leads used on site must comply with the Australian Standard AS/NZ 3760:2010, which requires the appliance to be

inspected, tested and tagged. Items that do not comply will not be permitted to be used onsite. Electrical items such as switchboards, cables and outlet fittings must comply with the Australian electrical wiring standard AS/NZS 3000:2007 and be installed by a qualified A grade electrician.

Note: Double adaptors will not be permitted on site, instead power boards with overload cut off are permitted. NOTE: The venue is at liberty to check that the electrical appliances you bring on site are appropriately tagged.

Event partnership & exhibition application terms & conditions

A full set of terms and conditions for conference partnership and exhibition packages are available on the conference website. When you complete the online acceptance form, you will be required to acknowledge your agreement to these terms and conditions to complete the submission process.

QUEENSLAND COMMUNITY IMPACT AWARDS

The annual Queensland Community Impact Awards is our sector's night of nights. It is the one event of the year where we celebrate the individuals and organisations who support those Queenslanders doing it tough every day.

Past winners have included a First Nations principal legal officer, an all-women volunteer group committed to ending violence against women, an organisation providing support to individuals transitioning from prison back into the community and an individual who has raised over \$51 million to fuel job creation.

By partnering with us, not only will you be able to showcase your organisation to Queensland's fastest growing sector, but you'll be helping us to celebrate extraordinary Queenslanders whose work so often goes unrecognised.

AWARD CATEGORIES

HUMAN RIGHTS

Recognising the contribution of an organisation or individual in advancing a human rights respecting culture in Queensland.

COMMUNITY IMPACT

Recognising the contribution of an organisation, team or individual in supporting or serving their community in Queensland.

FRONTLINE HERO

Recognising the contribution of a frontline worker in supporting or serving their community in Queensland.

WOMEN'S EQUALITY ADVOCATE

Recognising the contribution of an organisation or individual for contributing greatly to promoting gender equality and increasing awareness of the injustices women and girls face just because of their gender.
