QUEENSLAND COMMUNITY IMPACT AWARDS
**PARTNERSHIP
PROSPECTUS**

AIMEE MCVEIGH
CEO, QCOSS

JOIN US IN CELEBRATING OUR FRONTLINE HEROES.

Thank you for your interest in partnering with QCOSS and for sharing our vision of equality, opportunity, and wellbeing for all Queenslanders.

QCOSS is the peak body for Queensland's community services sector. We are proud to represent a sector that supports Queenslanders and their communities every day.

We work hard to give the community services sector, our partners and supporters opportunities to collaborate and learn, celebrate their impact, and connect with Queensland's thought leaders and decision-makers.

The Queensland Community Impact Awards is our sector's night of nights. It is the one event of the year where we celebrate the individuals and organisations who support those Queenslanders doing it tough every day.

Past winners have included a First Nations international human rights advocate and lawyer, a housing initiative saving older women from homelessness, a community service turned regional disaster centre during the 2022 floods

and now a food distribution hub for tens of thousands of people, and a former refugee who has devoted her life to ensuring others feel safe, welcome and empowered.

Each year, the awards get bigger and better, and we're absolutely delighted that this year's dinner will be hosted by the remarkable Karni Liddell — Paralympian, social worker and passionate advocate for inclusion and justice.

By partnering with us, not only will you be able to showcase your organisation to Queensland's fastest growing sector, but you'll be helping us to celebrate extraordinary Queenslanders whose work so often goes unrecognised.

Thank you again for considering partnering with Queensland's leading advocacy organisation to support this incredible night.
